

Pediatric Faculty Attending of the Year Award, Albany Medical Center, 12/2009 (Selected by the Medicine/Pediatric Residents)

Pediatric Faculty Teaching Award, Albany Medical Center, 06/2008
(Selected by the Pediatric Residents)

Capital Region Best Doctors, 2017

Caste Connolly Top Doctor, 2010 through present

“NY Top Doc”, June 2015 through present

Hudson Valley Magazine Top Doctor, 2015, 2016

Patients’ Choice Award, 2008 through present (American Registry)

Compassionate Doctor Recognition, 2009 through present

NASPGHAN Foundation GERD Grand Rounds Program Speaker, 02/2012. (One of 40 pediatric gastroenterologists practicing in North America chosen to disseminate information on pediatric GERD via grand rounds presentations).

Extraordinary Service Award, University of Rochester Medical Center, 06/2007

Pediatric Fellow Teaching Award, University of Rochester Medical Center, 06/2005

Teaching and Tomorrow Resident (One of 30 pediatric residents in North America selected to attend the 10/2002 NASPGHAN conference)

Phi Beta Kappa, Golden Key, Phi Eta Sigma National Honor Societies

Affiliations (Present and Past)

- Medical Advisor, Crohn’s & Colitis Foundation of America, Upstate/Northeastern NY Chapter, 06/2009–Present
- Medical Advisor, Pediatric IBD Foundation, 09/2013–Present
- Member, North American Society of Pediatric Gastroenterology, Hepatology and Nutrition (NASPGHAN), 08/2004–Present
- Fellow, American Academy of Pediatrics, 12/2017–Present
- Premier Member, Crohn’s and Colitis Foundation, 12/2017–Present
- Make-A-Wish Foundation, Northeast NY Chapter, Medical Advisor, 06/2015–Present
- President, Capital District Pediatric Society, 07/2012–07/2013
- Member, NASPGHAN Professional Education Committee, 10/2009–10/2013
- Member, American Society of Parenteral and Enteral Nutrition, 10/2009–09/2010
- Member, Albany Medical Center Department of Pediatrics Research Consortium, 12/2008–12/2010
- Member, American Gastroenterological Association, 07/2005–06/2008

Service (Present and Past)

- Co-Chief, Pediatric Gastroenterology Division, Albany Medical Center, 07/2014-Present.
- Member, Credentialing Committee, Albany Medical Center, 12/2013-Present.
- Faculty preceptor and lecturer, 3rd year medical student pediatric clerkship, Albany Medical Center, 07/2007-Present
- Physician volunteer, Double H Ranch. The Double H Ranch was co-founded by Charles R. Wood and Paul Newman and provides specialized programs and year-round support for children and their families dealing with life-threatening illnesses. 07/2012-Present.
- Member, Pediatric Resident Education Quality Improvement Team, Albany Medical Center, 07/2007-06/2012
- Member, Albany Medical Center Pediatric Residency Admissions Committee, 09/2007-06/2012
- Member, Albany Medical Center Pediatric Residency Rank Committee, 10/2010-06/2012
- Member, Medical Executive Committee Process Improvement Team (MEC-PIT), Albany Medical Center, 12/2013-11/2014.
- Faculty preceptor, Evidence Based Health Care Course, Albany Medical Center, 01/2012-06/2012
- Pediatric Fellow Representative, University of Rochester Medical Center, Graduate Medical Education Committee, 07/2006-06/2007
- Member, University of Rochester Pediatric Residency Selection Committee, 07/2006-06/2007

Academic Interests

Eosinophilic Esophagitis, food allergy/intolerance, Inflammatory Bowel Disease, wireless capsule endoscopy.

Grants

Monetary grant from Centocor in the amount of \$3,000 to be used for two pediatric gastroenterology fellows at the University of Rochester to attend the AGA conference held in Washington DC from 5/19/07–5/24/07. Approved 12/21/2006.

Invited Lectures

Hyperlipidemia.

Pediatric Grand Rounds Warm-Up, Syracuse, NY, 11/2003.

Functional abdominal pain in children, defining a vague complaint.

Pediatric Grand Rounds Warm-Up, Syracuse, NY, 04/2004.

Diarrhea in children; what to do when the rotazyme is negative.

Department of Nutrition weekly conference, Rochester, NY, 12/2005.

Pediatric Residency Core Lecture Series, Rochester, NY, 10/2006.

Constipation in children, painful considerations.

Emergency Medicine Residency Core Lecture Series, Rochester, NY, 01/2005.

Lipid digestion, absorption, and transport.

Adult GI Physiology Conference, Rochester, NY, 05/2005.

Abdominal pain in children, narrowing a broad differential.
Adult GI Clinical Conference, Rochester, NY, 06/2005.

Polyposis syndromes.
Pediatric Residency Core Lecture Series, Rochester, NY, 10/2005.
Adult GI Clinical Conference, Rochester, NY, 06/2006.

Liver failure and transplantation.
Pediatric Residency Core Lecture Series, Rochester, NY, 11/2005.

Failure to thrive, some not so common causes.
Pediatric GI Clinical Conference, Rochester, NY, 11/2005.

Pankrin, a new test to diagnose an old problem.
Pediatric Clinical Trials Working Group, Rochester, NY, 01/2006.

Pathophysiology of acetaminophen toxicity.
Adult GI Physiology Conference, Rochester, NY, 02/2006.

Functional gastrointestinal disorders in children...is it all in their heads?
Pediatric GI Clinical Conference, Rochester, NY, 03/2006.

Can somebody please tell me what I should eat? Nutritional management of IBD.
IBD Support Group, Rochester, NY, 05/2006.

Gastrointestinal bleeding.
Pediatric Residency Core Lecture Series, Rochester, NY, 06/2006.

The Life of a Pediatric Gastroenterologist.
"What's Up Doc?" group (high school students interested in becoming physicians), Rochester, NY, 07/2006.

Graft versus host disease.
Pediatric GI Clinical Conference, Rochester, NY, 08/2006.

Hepatobiliary system, structure, and function.
Pediatric GI Clinical Conference, Rochester, NY, 09/2006.

Gastrointestinal manifestations of Cystic Fibrosis.
Adult GI Clinical Conference, Rochester, NY, 10/2006.

Bacterial overgrowth.
Pediatric GI Clinical Conference, Rochester, NY, 01/2007.

Pancreatic insufficiency and other gastrointestinal manifestations of Cystic Fibrosis.
Pediatric Grand Rounds, Highland Hospital, Rochester, NY, 1/30/2007.
Pediatric Grand Rounds, University of Rochester, Rochester, NY, 1/31/2007.

Pediatric GI Pathology Conference.

Lecture to pediatric residents and medical students. Rochester, NY, 2/15/2007.

Specificity of the polyclonal antibody test system for human elastase in stool.

26th annual NASPGHAN/Mead Johnson research forum for pediatric gastroenterologists. Scottsdale, AZ, 3/23/07.

Congenital malformations of the GI tract.

Neonatology board review lecture. Rochester, NY, 5/1/2007.

Lecture to 2nd year medical students. Albany, NY, 02/21/08.

Chronic diarrhea in toddlers. What to consider when holding the fruit juice proves unfruitful.

Pediatric residency noon conference, Albany Medical Center, Albany, NY, 8/21/2007.

Rectal bleeding in children.

Pediatric residency noon conference, Albany Medical Center, Albany, NY, 9/18/2007.

Update on Pediatric IBD. Evaluation and Management.

Capital District Pediatric Society Meeting. The Desmond Hotel. Albany, NY, 9/18/2007.

Eosinophilic Esophagitis in Adolescents.

Gastroenterology for the Primary Practitioner Teaching Day. The Desmond Hotel. Albany, NY, 9/28/2007.

Important considerations when checking children for pancreatic insufficiency.

Inaugural Upstate NY Pediatric GI/Nutrition Conference. Rochester Academy of Medicine. Rochester, NY, 10/06/2007.

Pediatric Crohn's Disease.

Pediatric Grand Rounds. Albany Medical Center. Albany, NY, 10/10/2007.

Celiac disease, the great mimicker of the 21st century.

Lecture to Glenville Family Medicine group, Ballston Lake, NY, 10/23/2007.

Allergic esophagitis in children.

Lecture to community pediatricians and family practitioners, 677 Prime, Albany, NY, 12/03/2007.

Gastrointestinal manifestations of Cystic Fibrosis.

Adult Gastroenterology Clinical Conference. Albany Medical Center. Albany, NY, 01/10/2008.

Pediatric residency noon conference, Albany Medical Center, Albany, NY, 1/15/2008.

Congenital malformations of the GI tract.

Lecture to 2nd year medical students, Albany Medical Center, Albany, NY, 02/21/2008, 3/24/2009.

Gastrointestinal causes of failure to thrive.

Lecture to 2nd year medical students, Albany Medical Center, Albany, NY, 03/04/2008, 3/24/2009.

Milk protein allergy in infants and toddlers.

Lecture to community pediatricians and pediatric house officers, 677 Prime, Albany, NY, 03/04/2008.

Short gut syndrome.

Pediatric residency noon conference, Albany Medical Center, Albany, NY, 03/11/2008.

The diagnosis and treatment of IBD in children and teens.

Living With IBD Educational Seminar (CCFA sponsored event), Wolf Road Marriott, Albany, NY, 03/15/2008.

Refractory GERD; could it be Eosinophilic Esophagitis?

Central New York SGNA Conference, The Schenandoah at Turning Stone, Verona, NY, 03/29/2008.

GI Potpourri

Lecture to community pediatricians, 677 Prime, Albany, NY, 04/08/2008.

Pancreatic insufficiency in children.

Lecture to community pediatricians, Café Capriccio, Albany, NY, 04/15/2008.

Lecture to adult gastroenterologists, Bellini's Restaurant, Clifton Park, NY, 12/09/2008.

Food allergy in children.

Lecture to community pediatricians, pediatric nurse practitioners, and registered dieticians.

Shanghai Red's, Buffalo, NY, 04/29/2008.

Goodfellas, Saddle Brook, NJ, 06/25/2008.

The Library Restaurant, Myrtle Beach, SC, 08/15/2008.

Frank Guido's Little Italy, Kingston, NY, 10/07/2008.

IBD information session.

Question and answer session for pediatric IBD patients and their parents, The Desmond Hotel, Albany, NY, 06/14/2008.

GI Board Review.

Pediatric residency noon conference, Albany Medical Center, Albany, NY, 09/02/2008.

Celiac Disease.

Pediatric residency noon conference, Albany Medical Center, Albany, NY, 09/24/2008.

Pediatric IBD Update.

Gastroenterology for the Primary Practitioner Teaching Day, The Desmond Hotel, Albany, NY, 09/26/2008.

Celiac disease in the 21st century.

Gastroenterology for the Primary Practitioner Teaching Day, The Desmond Hotel, Albany, NY, 09/26/2008.

Effective management of encopresis. How to keep 'em clean without getting your hands dirty.
Pediatric residency noon conference. Albany Medical Center, Albany, NY, 10/20/2008.

Use of amino acid based formulas for infants with cow's milk protein intolerance.
2nd annual Upstate NY Pediatric GI/Nutrition Conference, Mirbeau Spa, Skaneateles, NY, 11/1/2008.

Diagnosis and management of post-cholecystectomy syndrome.
2nd annual Upstate NY Pediatric GI/Nutrition Conference, Mirbeau Spa, Skaneateles, NY, 11/1/2008.

Causes of neonatal cholestasis.
Lecture to 2nd year medical students, Albany Medical Center, Albany, NY, 03/04/2009, 03/17/2010.

Malrotation and other common gastrointestinal malformations.
Pediatric residency noon conference. Albany Medical Center, Albany, NY, 03/31/2009.

Pediatric Gastroenterology Board Review.
Lecture to senior pediatric residents, Albany Medical Center, Albany, NY, 05/06/2009.

Understanding pediatric food allergy.
Western New York Pediatric Nurse Practitioner Association meeting, Shanghai Red's, Buffalo, NY, 05/26/2009.

Crohn's and Ulcerative Colitis. Which one does my patient have and does it make a difference?
Lecture to pediatric housestaff and medical students, Albany Medical Center, Albany, NY, 08/19/2009.

Constipation, what's the emergency?
Lecture to emergency department housestaff, Albany Medical Center, Albany, NY, 08/30/2009.

GERD Unresponsive to PPIs. Could it be Eosinophilic Esophagitis?
Pediatric Grand Rounds, Ellis Hospital, Schenectady, NY, 09/17/2009.
Pediatric Grand Rounds, Upstate Medical University, Albany, NY, 10/28/2009.
Grand Rounds, Kingston, NY, 03/12/2009.
Pediatric Grand Rounds, Rochester General Hospital, 09/21/2010.
Pediatric Grand Rounds, University of Rochester Medical Center, 09/22/2010.
Family Medicine Grand Rounds, St. Joe's Hospital, 10/6/2010.

Common pediatric GI problems.
Lecture to 3rd year medical students rotating through pediatrics. Albany Medical Center, Albany, NY, 10/15/2009.

Advances in Inflammatory Bowel Disease 2009.

Educational seminar for IBD patients. Expert panel member. Albany Marriott Hotel, Albany, NY, 10/22/2009.12/2009.

Celiac disease.

Central New York SGNA Conference, New Hartford, NY, 10/23/2009.

Dietary therapy for Eosinophilic Esophagitis, is best evidence truly best medicine?

3rd annual Upstate NY Pediatric GI/Nutrition Conference, Fayetteville, NY, 10/24/2009.

Indications for the usage of elemental formulas in children.

Lecture to pediatric providers. Pittsburgh, PA, 03/09/2010.

Food intolerance in children.

Lecture to general pediatricians at Albany Medical Center. Albany, NY, 03/17/2010.

Lecture to community pediatricians. 677 Prime, Albany, NY, 04/06/2010.

Challenges in the management of children with complicated Crohn's disease.

Lecture to pediatric GI division and pediatric housestaff. University of Rochester Medical Center, Rochester, NY, 03/19/2010.

Eosinophilic Esophagitis.

Pediatric Grand Rounds. Albany Medical Center, Albany, NY, 04/14/2010.

EE, GERD, and Food Intolerance in Infants.

Lecture to pediatric providers. Angelo's 677 Prime. Albany, NY, 04/20/2010.

Lecture to pediatric providers. The Wine Bar. Saratoga, NY, 06/10/2010.

Nutritional management of Short Bowel Syndrome.

Lecture to pediatric dietitians. Downer's Grove, IL, 06/08/2010.

Lecture to pediatric providers. Charlotte, NC, 06/15/2010.

Dietary management of cow's milk protein intolerance in children.

Lecture to general pediatricians. Tony's Grill. Endwell, NY, 09/20/2010.

Prebiotics. Considerations for the practicing clinician.

4th annual Upstate NY Pediatric GI/Nutrition Conference, Geneva, NY, 10/02/2010.

Common causes of liver disease in pediatric patients.

Lecture to 2nd year medical students. Albany Medical Center, Albany, NY, 12/09/2010.

Celiac disease, and other common food intolerances.

Pediatric Academic Society Meeting. Taste. Albany, NY, 03/08/2011.

Milk. What to do when it doesn't "do a body good."

Lecture to pediatricians, pediatric nurse practitioners, and pediatric dietitians. Chef's Restaurant. Buffalo, NY, 05/05/2011.

Managing Inflammatory Bowel Disease.

Medical Expert, Health Link, WMHT/PBS, 05/12/2011.

Diagnosis and Treatment of Eosinophilic Esophagitis.

Medical Expert, News Channel 13, Albany, NY, 07/08/2011.

CURED "Campaign Urging Research for Eosinophilic Disorders" Fundraiser.

Guest Lecturer, Saratoga Springs, NY, 07/08/2011.

GERD, EE, and other atopic gastrointestinal disorders.

Lecture to general pediatricians, Williamsville, NY, 09/02/2011.

Food allergies in children. Thoughts regarding the increase in prevalence and what can be done to reverse the phenomenon.

Lecture to pediatric providers, Symeon's Restaurant, Yorkville, NY, 09/14/2011.

Celiac Disease, the great masquerader of the 21st century.

Lecture to pediatric residents, Albany Medical Center, Albany, NY, 09/29/2011.

Cyclic Vomiting Syndrome in Children.

5th Annual Upstate NY Pediatric GI/Nutrition Conference, East Syracuse, NY, 10/01/2011.

Clinical Update on Pediatric IBD.

Binghamton Pediatric Teaching Day, Holiday Inn, Binghamton, NY, 10/13/2011.

Decreasing the risks associated with infant formulas.

Lecture to general pediatricians and neonatologists, Bellini's Italian Eatery, Clifton Park, NY, 10/25/2011.

Gastrointestinal causes of failure to thrive.

Lecture to general pediatricians, Newburgh, NY, 11/1/2011.

Lecture to adult gastroenterology fellows, Noon Conference, Albany Medical Center, Albany, NY, 03/26/2012.

Diagnosis and management of children and adolescents with celiac disease.

Presentation to The Celiac Disease Resource support group, Delmar, NY, 11/2/2011.

Pediatric IBD.

Lecture to adult gastroenterology fellows, The Point, Albany, NY, 02/29/2012.

Diagnosis and management of gastroesophageal reflux disease in pediatric patients.

Pediatric Grand Rounds, Albany Medical Center, Albany, NY, 04/11/2012.

Lecture to general pediatricians, 677 Prime, Albany, NY, 06/06/2012.

The growing problem of pediatric allergy. Prevalence and prevention.

Lecture to general pediatricians and dietitians, Broadway Inn, Rochester, NY, 06/14/2012.

Infant Nutrition and Development.

Lecture to pediatric providers. Broadway Inn, Rochester, NY, 08/07/2011.

Nutritional management of gastrointestinal illnesses in children.

Lecture to pediatric providers and dietitians. Benedetto's Restaurant, Rochester, NY, 08/08/2012.

Nutrition and IBD.

Educational seminar for patients with IBD and their parents. Albany Memorial Hospital, Albany, NY, 08/15/2012.

Congenital malformations of the esophagus.

Lecture to Cardiothoracic Surgery division. Albany Medical Center, Albany, NY, 09/18/2012.

Dietary vs. Medical Management of Eosinophilic Esophagitis: an evidence based approach.

Lecture to pediatric gastroenterologists and allergists. Children's Hospital of the King's Daughters, Norfolk, VA, 10/10/2012.

Protein Choices and Risk of Allergy in Early Infant Feeding.

Lecture to neonatologists, general pediatricians, dietitians, and pediatric nurse practitioners, Andover, MA, 10/15/2012.

What goes in must come out: clinical gastrointestinal issues.

Moderator. NASPGHAN postgraduate course. Grand America Hotel, Salt Lake City, UT, 10/17/2012.

Diet, Environment, and Intestinal Microbiota. Determinants of long term health.

Brooklyn Pediatric Academic Society Meeting. Brooklyn, NY, 10/24/12.

Celiac Disease in Children. What school nurses need to know.

New York State Association of School Nurses (NYSASN) annual meeting. Saratoga Holiday Inn, Saratoga, NY, 11/1/2012.

Functional Abdominal Pain in Children.

Lecture to general pediatricians. Taste, Albany, NY, 03/13/2013.

Gut Microbiota, Immunity, and Probiotics.

Lecture to neonatologists, pediatric nurse practitioners, pediatric nurses, and dietitians. Greenwich, CT, April 2, 2013.

Diagnosis and Management of Gastroesophageal Reflux Disease in Children.

24th Annual Spring Conference on Pediatrics. The Westin Dawn Beach Resort, St. Maarten, Caribbean, April 10, 2013.

Celiac Disease: The Great Masquerader of the 21st Century.

24th Annual Spring Conference on Pediatrics. The Westin Dawn Beach Resort, St. Maarten, Caribbean, April 12, 2013.

Chronic and Recurrent Abdominal Pain in Children: Approach to diagnosis.

24th Annual Spring Conference on Pediatrics. The Westin Dawn Beach Resort, St. Maarten, Caribbean, April 13, 2013.

Eosinophilic Esophagitis: Review of “old” and new concepts.

Lecture to general pediatricians, pediatric gastroenterologists, allergists, and dietitians. Charleston, SC, September 17, 2013.

Interesting and atypical causes of failure to thrive.

Noon conference to pediatric gastroenterology providers. Medical University of South Carolina, Charleston, SC, September 18, 2013.

Healthy Life Seminar Series. Celiac Disease and Eosinophilic Esophagitis.

Educational seminar for Capital District residents, sponsored by Albany Medical Center. The Desmond Hotel, Albany, NY, September 26, 2013.

Eosinophilic Esophagitis.

Lecture to pediatric housestaff. Albany Medical Center. Albany, NY, October 24, 2013.

Immediate and long-term benefits of probiotics and semi-elemental infant formulas.

National Association of Pediatric Nurse Practitioners (NAPNAP) meeting. Lombardo's, Buffalo, NY, January 30, 2014.

Treatment of Pediatric IBD in the era of biologics.

Annual IBD Education Day (CCFA –sponsored event). Marriott Hotel, Albany, NY, March 22, 2014.

Chronic and Recurrent Abdominal Pain in Children: Approach to diagnosis.

16th Annual Summer Conference on Pediatrics. Atlantis Resort, Paradise Island, Bahamas. August 6, 2014.

Management of chronic constipation in children.

16th Annual Summer Conference on Pediatrics. Atlantis Resort, Paradise Island, Bahamas. August 7, 2014.

Celiac Disease: The Great Masquerader of the 21st Century.

16th Annual Summer Conference on Pediatrics. Atlantis Resort, Paradise Island, Bahamas. August 9, 2014.

Video Capsule Endoscopy.

Pediatric Grand Rounds, Albany Medical Center, Albany, NY, October 1, 2014.

New Approaches to the Clinical Management of Cow's Milk Allergy: Promoting Tolerance Acquisition.

Lecture to general pediatricians and other pediatric health care providers in Albany, NY. Glen Sanders Mansion, Scotia, NY, October 20, 2014.

Chronic Constipation in Children.

Pediatric Grand Rounds, Albany Medical Center, Albany, NY, October 22, 2014.

Video Capsule Endoscopy in Children.

Association of Pediatric Gastroenterology and Nutrition Nurses Annual Meeting. Atlanta Hilton, Atlanta, GA, October 23, 2014.

Rethinking the toolbox: Clinical Utility of Capsule Endoscopy in Pediatrics.

Webinar for pediatric gastroenterology providers (physicians and nurses), February 13, 2015.

The Importance of the First Feed: How Protein Choices Can Affect Long Term Health Outcomes.

Maternal Child Health Symposium. Meridian Health Village. Jackson, NJ. March 26, 2015.

The Role of Probiotics in Infant Nutrition.

Maternal Child Health Symposium. Meridian Health Village. Jackson, NJ. March 26, 2015.

The Importance of the First Feed: How Protein Choices Can Affect Long Term Health Outcomes.

Pediatric Grand Rounds, Lawrence Hospital, Bronxville, NY. September 1, 2015.

New Approaches to the Clinical Management of Cow's Milk Allergy: Promoting Tolerance Acquisition.

Pediatric Nutrition Conference.

University of Rochester Medical Center, Rochester, NY. September 16, 2015.

Changing the Face of Health Care Through Infant Feeding.

Faculty for Key Opinion Leader meeting.

Hilton Orlando, Orlando, FL. September 22, 2014.

SLS Hotel, Beverly Hills, CA. September 24, 2015.

The Importance of the First Feed: How Protein Choices Can Affect Long Term Health Outcomes.

Obstetrics/Gynecology Grand Rounds, Good Samaritan Hospital, Suffern, NY. January 26, 2016.

GERD Unresponsive to PPI Therapy. Could it be Eosinophilic Esophagitis?

Department of Pediatrics Grand Rounds, Newark Beth Israel Medical Center, Newark, NJ, February 3, 2016.

Celiac Disease: The Great Masquerader of the 21st Century.

Department of Pediatrics Grand Rounds, Albany Medical College, Albany, NY, April 13, 2016.

Rethinking the toolbox: Clinical Utility of Capsule Endoscopy in Pediatrics.

Live course for pediatric gastroenterology providers (physicians and nurses), Masonic Children's Hospital, Minneapolis, MN, May 26, 2016.

Celiac Disease: The Great Masquerader of the 21st Century.

Noon Conference, Nutrition Department, University of Kentucky Children's Hospital, Lexington, KY, June 17, 2016.

FPIES. An Expert Discussion.

Lecture to pediatric gastroenterologists, allergists, and dietitians. Char Steakhouse, Rochester, NY, August 24, 2016.

Probiotics, Prebiotics and the Role of the Infant Intestinal Microbiota in Health and Allergic Disease.

Lecture to National Association of Pediatric Nurse Practitioners. Manhattan, NY, November 1, 2016.

Early Infant Feeding and Infantile Colic.

Lecture to Riverside Medical Group. Hackensack, NJ, February 23, 2017.

The Importance of the First Feed: How Protein Choices Can Affect Long Term Health Outcomes.

Rockland Pediatric Society Meeting. Montvale, NJ, June 8, 2017.

Exocrine Pancreatic Insufficiency.

Massachusetts Pediatric GI Regional symposium. Boston Children's Hospital. Boston, MA, August 2, 2017.

The Milk Fat Globule Membrane (MFGM): Understanding Bioactive Components in Human Milk.

Lecture to Nemours duPont Pediatrics Group. Villanova, PA. February 7, 2018.

Pediatric Constipation.

Lecture to Pediatric Housestaff. Albany Medical Center. Albany, NY. February 21, 2018.
