

## **Value-Based Care Expert Witness #9001**

### **PROFESSIONAL SUMMARY:**

I am a physician executive, clinical researcher, medical innovator, and expert witness with active licenses to practice medicine in Kentucky, North Carolina, Pennsylvania, and Virginia.

With the education, training, and certification cited below, I have held medical executive positions of increasing responsibility with major health insurance companies: Oxford, Wellpoint, Cigna, and Anthem Blue Cross Blue Shield.

As a clinical researcher at the National Institutes of Health, I specialized in Sickle Cell Anemia, and hold 6 patents for the design of systems to improve patient care.

I have done expert plaintiff and defense work in DC, Philadelphia, and Savannah. My current areas of expertise include value-based care, product liability, and health disparities.
