CURRENT & PREVIOUS EMPLOYERS

Coastal Carolina Hospital, Emergency Physician

Sept 2010 - present

Various groups

Serve patients of my Low Country home who present with a variety of injuries and illnesses.

This smaller hospital requires the EP to stabilize a variety of medical conditions prior to transfer.

Saint Joseph/Candler, Emergency Physician

October 2010 - present

Georgia Emergency Associates

Provide Savannah, Georgia with emergency care, focusing on heart health and strokes;

high-acuity patient population, with admit rate hovering at 25%.

Acadia Hospice, Medical Director

Feb 2018 - present

Apply my expert medical opinion to guide patients to an end-of-life experience that meets their wishes, supports the family, and helps the hospice team approach acute and recurrent problems in patient care.

**Newberry County Memorial Hospital, Emergency Physician
October 2016 - Jan 2018**

ACS Primary Care Physicians-Southeast, P.C. (SEG/TeamHealth)

Treat the patients of Newberry, South Carolina - a small town featuring an opera house occupied variable by Confederate and Union soldiers - with emergency care. TeamHealth's contract expired there.

**Saint Francis Hospital of Columbus, Emergency Physician
August 2009 - August 2010**

St. Francis Emergency Specialists

Ensure that the residents of Columbus, Georgia get the highest-quality emergency medicine care at this facility located literally adjacent to a large nursing home facility in a town that is also home to Army personnel.

**The Pill Club, Medical Director
Sept 2018 - present**

Supervise a team of NPs and PAs in a revolutionary telemedicine healthcare service that delivers birth control from our own in-house pharmacy, eliminating cost fluctuations and the various hiccups that can hinder women in getting affordable, woman-controlled contraception.

**Rescue Training Industry, Medical Director
Sept 2017 - present**

Volunteer to teach up-and-coming paramedics as well as sign off on South Carolina pre-hospital protocols.
