LEADERSHIP EXPERIENCE

- **Pritzker School of Medicine Admissions Committee Member, 2007-2008**
- **Student Program Coordinator, Chicago Academic Medicine Program, 2007:** I helped run this summer program designed to help college students explore and prepare for a career in medicine. I also gave various lectures to simulate a mini-medical school curriculum.
- **Program for Academic Exploration, 2006:** This program paired high school students with graduate student mentors to explore social and political issues affecting the health of communities.
- **Health Information Series, 2006:** I created and taught a four-part health series at a men's work release facility.
- **Student Program Coordinator of Young Scientist Training Program, 2005:** I co-ran the Chicago chapter of this NIH-funded program that introduced high school students to medical research.
- **HIV Intervention and Prevention Program, 2004-2008:** I was a co-coordinator of this program that taught secondary school students about HIV/AIDS.
